

MISSISSIPPI COAST RC CLUB

FALL FLY-IN

OCTOBER 21, 2017

MCRCC Fall Fly-In

Saturday October 21st
Gates open at 8AM
Landing fee is \$10 - \$5 back if you fly
Includes lunch, additional meals \$5
The public is welcome too!

You are invited to join us for a great time, great fun, great flying, and some amazing RC planes, helli's, quads, wings, and more. We look forward to seeing everyone there!

This is an informal fly-in. Our goal is to get everyone who comes to fly - all model types are welcome. There's a \$10 landing fee - but you get \$5 back if you actually fly! We're not going to make any money, but we're going to have a great time!

The main event is Saturday, but some of us will be there Friday night and Sunday, so feel free to come early and stay late. Bring your LED planes for night flying Friday and Saturday nights.

You must hold an AMA membership to fly.

Go to mcrcc.net for directions to our field.
